May, 2020

Dear Amador Farmers Market vendors,

We hope you are staying well. We're looking forward to working with you during the 2020 Amador Farmers Market season!

Due to the pandemic, we are postponing our market openings in Sutter Creek and Pine Grove.

- Our new opening date in Sutter Creek (barring a local COVID-19 re-emergence crisis): **Saturday June 20<sup>th</sup>, 9am-12pm**
- The Pine Grove Farmers Market (co-sponsored by CALAVARASGrown) will take place only once a month this season. Our new opening date for Pine Grove: **Friday July 31<sup>st</sup>, 3pm-6pm.**

We are working with the Amador County Health and Agriculture departments as well as taking guidance from the California Department of Public Health to (re)design our markets to be safe, healthy, and joyful during this time of the COVID-19 pandemic.

We'll have guidelines for you soon around vendor spacing, crowd control and distancing, and sanitary measures. Due to social distancing needs, we may not be able to accommodate as many vendors as we'd like in Sutter Creek.

In the meanwhile, if you have not completed the Vendor Application Form for this year, please do so as soon as possible. <https://amadorfarmersmarket.com/vendor-application/>

And please forward this letter to any potential vendors who would be a good fit for our amazing markets.

Thanks, and see you soon,

Ericka Lutz
